Respected Sir,

On behalf of the Sarada Shree Samajam members, I beg to submit before you this humble petition of ours

The Govt. of H H The Maharajah of Mysore has been pleased to grant us a site measuring 120' by 150' near the balancing tank, Chamarajpet we are very grateful for this. But the size and situation of the plot is not convenient for our purpose our idea is to erect a decent building and we want a fairly large site for this the site is situated at one extremity of Chamarajpet we have got our members residing in city, Basavangudi and Shankarpur the central space for people of all these localities would be useful so we would be very grateful to you if you can get this site changed to another larger one situated opposite to the Minto Ophthalmic Hospital in Hardinge Road, Chamarajpet

Office of the Municipal Council,

Bangalore City, dated 1st November 1916

Dear Mr Krishna Rao

With reference to your D O letter No 2137/M1.106-16 dated the 25th September 1916, calling for information on the subject of suitable alternative sites that could be given in exchange for the one already granted to the Sarada Stree Samaja, I beg to forward herewith two plans shewing the alternative sites selected by the Secretary of the Samaja

2 The area opposite the Minto Ophthalmic Hospital adjoins the Hardinge Road and measures one acre and 18 guntas It has considerable length without breadth and in several other ways does not seem to be suitable It is required for Municipal purposes

3. The other area selected by the Secretary and preferred by her to the above mentioned site is situated in the Mango tope originally belonging to Mr Motikhane Suranna and recently acquired by the Municipality Part of the area has been given over for the two Hostels connected with the Sri Sivaganga Mutt and the late Mr B.K Mariappa's Charities After reserving sufficient space for roads and lanes, it was proposed to sell the remaining area for eight cottage sites The area now selected by the Sarada Stree Samaja comprises these eight sites and measures one acre and 23 guntas The necessity for the conservancy lane to the South would vanish if there are no house or cottage sites, so that altogether an area of one acre, 24 guntas and 111 square yards is really available Calculating at the same rate at which land was sold to the Hostels, the value of the land payable to the Municipality would be Rs 8,141-6-1

This

This seems to be not only too expensive, but such a large extent of land seems to be unnecessary for the purpose of the Samaja I would therefore suggest that an area measuring 33 guntas 47 square yards (4 cottage sites facing the Albert Victor Road may be allotted to the Samaja at an upset price of Rs. 4,187-4-8 at the Northend of the area sought for

Sir

This refers to the interview which I had with you in connection with the proposed Samaja at Mysore. I am glad to inform you that the Mysore Public have subscribed a sum of Rs 3000 for the purpose. I am also glad to say that the Maharaja has been pleased to grant a site for the Samaja at the corner of Irwin Road and Sayaji Rao Road. I have also received a letter from the Secretary to the Government in the Public Department, dated 21-11-16 granting the site. I am now writing to the Executive Engineer to mark out the site. I am also writing to the Municipal Commissioner to grant permission to build on the site. I am also writing to the Superintendent of Police to grant permission to build on the site. I am also writing to the Superintendent of Police to grant permission to build on the site.

Sir

I have the honour to acknowledge the receipt of your letter of the 17th instant No. 5167 and have noted the contents. The site facing the Albert Victor Road, which was recommended by the Honorary President of the City Municipal Council, and which you have mentioned in your letter is good enough for our purpose. A sum of Rs three thousand has already been promised for the building and of this Rs 1000 has already been collected and we are collecting more funds. Our idea is to erect a meeting hall and two rooms, and a large play ground at a cost of 7,500 Rs. The rest of the amount will be collected as soon as the grant of the site is made to us. The object of the Samaja is mainly the social, intellectual moral cultivation of women. For this purpose, we hold lectures every Sunday which is attended by all the members and then [illegible] A few public lectures also will be arranged now and then. The strength of the Samaja is now 50 members and Rs 3,5 will be collected every month, and the balance after deducting the expense will be kept in reserve. Under the auspices of our Samaja the Home Industrial classes are held. We are holding our meetings for the present in the [illegible] building yesterday I have given a Petition for your kind [illegible]

Hoping that our humble request will be complied with at an early date. Please excuse the trouble given.

To

My dear Sir,

I am desired to invite reference to your D.o No 232 of 1st Nov 1916 re grant of a site to Sarada Stree Samaja, Rajpet, Bangalore, and to as follows -

2. The site originally granted to the Samaja was a small one measuring 120' x 150' and it was given free of cost It is suggested in your let-

that the site proposed by you should be given to the Samaja at an upset price of Rs 4187-4-8 the price to be paid, presumably, by the Samaja. As the original site was given free of cost and as a free site has been recently granted to a similar institution the Samaja may not be willing to pay a large sum in order to get another site in exchange. The Govt may not also be prepared to incur a large expenditure from the General Revenues to help the Samaja to secure a site for their building.

3 In these circumstances I am desired to request you to state whether the Municipality concerned will give the site suggested, free of cost to the Samaja

My dear Sir,

Your D.O. no 4724 of 2nd inst. re site for the Sarada Stree Samaja

The Municipality has laid a heavy price for the land on the Albert Victor Road and the owner has filed a suit claiming a higher price. It may be safely assumed that the

Municipality will not be in a position to make a free gift of the site to the Company. It will however form an inconvenient precedent

I am not aware of any other municipal or Government land within Chamarajapet which can be offered free

The land near the Edga has been reserved for a Boys school & a girls school If the Boys school be taken elsewhere, half the land maybe

given to the Samaja and the
other half to the Girls school
this would give a fair extent
of land to the Samaja, but they
seem to demur and want a
site in some central locality

Yours sincerely

Madam,

With reference to the correspce ending with your letter dated 20th Novr/16 in the matter of the grant of a site for the Samaja, I fear that it will not be feasible to grant the site in the mango garden referred to in your last letter, and some other site

has to be chosen. If you are agreeable to take up the plot of land adjacent to the east side originally granted to you near the Balancing Tank, it may be found possible to arrange for its grant. You may choose either of the plots A or B shewn in the accompanying rough sketch. The area, it will be seen is fairly large, and should suffice for the purpose of the Sanaya. It will enable the settlement of the question early, if the Sanaya could be induced to agree to the site named.

The favour of a very early reply is requested.

Yours Sincerely

Sir

In reply to your D O No 5362
I beg to inform you that the plot of
land adjacent to the site granted
to us near the Balancing tank, is not-
well suited for our purpose The
surroundings is not healthy and also
the location is such as would not
facilitate people from thankfulness,
